## Work Experience

Internship at Ethiopia Market and Trade Development Office Jun 2022 – Oct 2022  
Full-time

- During my time as a student, I had the opportunity to work as an intern in the IT department. This experience allowed me to gain valuable insights into the inner workings of the department, and I was able to contribute to various projects and tasks. Through my internship, I developed a passion for IT and a desire to pursue a career in the field. I am grateful for the valuable experience and knowledge that I gained during my time as an intern.

## Education

Addis Ababa University

- Information System Bachelor's degree  
2019 – 2023

## Licenses and Certificates

### Sales

- The Talent Firms Proof: [View](#)

## About Me

Greetings,

I am Haileamlak Walelign, a full-stack developer. I am passionate about creativity and have a natural talent for problem-solving. I am committed to delivering high-quality work that exceeds expectations. With my energetic and hardworking nature, I approach each project with a detailed view and a great plan, ensuring that every aspect of my work is thoroughly considered and executed to perfection.

I have a special interest in React.js and Next.js and enjoy working with both libraries and frameworks respectively. and I also enjoy new technologies.

Thank you!  
Haileamlak Walelign
